

THE STONEHENGE SCHOOL

18th September 2017

Dear Parent /Guardian

Re – Year 11 Expectations Evening

As your son/daughter embarks on their final year of Secondary school and prepares for their GCSE exams, we would like to invite you to an information evening that outlines the experience that they will have in the year ahead, and explores how parents can best go about supporting them in this final year. The Expectations evening will take place in the Main Hall on Thursday 28th September from 6pm until 7pm.

We will explain how the new grading system works and the implications of the new GCSEs. Mr Cornelius and Mr Wooster will also be attending to provide advice on how to ensure success in the English and Maths GCSEs.

Local Further Education providers will also be attending on the evening allowing you early information regarding course choices, entry requirements and the application process. Students will then have assemblies over the coming weeks with each provider in their Friday assembly.

As your son/daughter embarks on the journey of their final year at The Stonehenge School it is vital that we all work together in order to ensure that we are able to help your son/daughter achieve their true potential.

I look forward to seeing you on the 28th.

Yours sincerely

Mrs Carole Dean
