

THE STONEHENGE SCHOOL

NSL/LMT

19th January 2017

Dear Parents/Guardians

We are arranging a field trip to the FSC Centre at Nettleton Court, near Taunton in Somerset between Friday 9th and Monday 12th June. The trip is being arranged to conduct fieldwork research for GCSE geography students. In the actual GCSE exam students are required to answer questions on physical and human geography fieldwork techniques using information gained from practical fieldwork experience. Participation in such activities is a necessity for GCSE geography students.

Field Studies Council (FSC) is an environmental education charity providing informative and enjoyable opportunities for people of all ages and abilities to discover, explore, and understand the environment. FSC believes that the more we know about and take inspiration from the world around us the more we can appreciate its needs and protect its diversity and beauty for future generations.

Our trip is to their centre in Somerset and is tailored to the needs of the OCR'B' curriculum we are following to gain field work knowledge and practical skills aimed towards our GCSE exam. To look at the centre, visit the website <http://www.field-studies-council.org/centres.aspx> and choose the centre name.

The cost of the trip is £270 per student, this includes

- Expert tuition by fully trained permanent staff.
- Rigorous and proven health and safety procedures including 24 hour emergency cover and access to risk assessments.
- All equipment and resources needed.
- Full board accommodation.
- Personal and travel insurance.
- Travel to and from centre and field sites.
