Dear Parent/guardian,

KS3 Science Examination

At the end of the Christmas term in year 9 there will be an 'End of KS3 Science Exam' which will take place on: **Thursday 8th December.**

Please can you make a note of this date.

Your child should have a revision book to help with their preparation over the next few weeks and during this time there is **no such thing as 'no homework'**. This should not be the only source of information your child uses. Please could you encourage your child to revise regularly as well as referring them to their exercise books, 'BBC Bitesize' and 'SAMlearning'. If your child should ever need help out of lessons, Science teachers are always available at lunchtimes in room 32.

Should your child be absent on the day of their exam, they should continue in their preparation and the exam will be completed at the earliest opportunity when they return.

This exam will mark the end of your child's KS3 Science course and they will begin studying the GCSE course in January 2017.

If you have any questions, please do not hesitate to contact me. Please return the reply slip below, to your child's Science teacher, to acknowledge receipt of this letter.

Yours Sincerely

Miss A. Ellis

KS3 co-ordinator (Science)

Students Science Teacher _____

Student's name _____

I have received the letter concerning the KS3 examination

Signed: _____
