HEADTEACHER'S NEWS

Fire Brigade - important message for parents

As you will know there was a fire recently in the Upper School building. A radiator over heated and melted, producing smoke. The smoke detector activated the fire alarm and evacuation was carried out according to normal school procedure. Due to the emergency being a real one, and not a drill, the fire brigade were called and they responded immediately. Unfortunately they were delayed at the main gate because a small number of parents had driven onto site to drop off their children, and their cars caused an obstruction. **Their actions put the safety of pupils and staff at risk.** If your children come to school by car please do not use the slip road off Antrobus Road, and please do not drive your car onto the school site.

All the electrical wiring in Upper School has been checked by Wiltshire Council electricians and there is a programme of improvement work planned for the half term holiday.

Curriculum Enrichment Day

Our first curriculum enrichment day was a resounding success. Last Friday, after a monumental organisation and planning task, all year groups took part in a range of different activities. In contrast to the summer activity days, these were specific to areas of learning and the idea was to timetable all the activities together on the same day to avoid cover lessons. It meant that each year group spent a whole day dedicated to their activity.

- ◆ Year 11 completed a day of GCSE controlled assessments in Science
- ◆ Year 10 spent the day boosting their assessment grades in English and a group of almost 40 attended a performance of the Taming of the Shrew at The Globe Theatre in London
- ◆ Year 9 all went to London on a visit to the London Eye and a boat trip on the Thames with Mr Langley and the Humanities department.
- ◆ Year 8 were at school taking part in Personal, Health & Social Education circus activities, delivered by a number of visiting health organisations.
- ◆ Year 7 enjoyed ICT activities, having unrestricted access to the ICT network all day in the absence of other students. We were also able to complete on line reading and numeracy assessments, known as CAT tests.

Camps International

Any Year 10 or Year 11 student who is still interested in the Borneo trip but has not signed up needs to see Mrs Roberts when we return after half term.

The co-operative membership
Community Fund

New minibus has arrived!

FOSSWAY (Friends of Stonehenge School) present a £300 cheque towards the new minibus which is now being fully utilised in school.

Once again, many thanks to all the parents, students and friends of Stonehenge school, together with National Lottery grant and Co-operative Community Fund who have helped us raise the money.

LOOK OUT FOR THE CHANGING FACES OF STONEHENGE STAFF DURING NOVEMBER!!!

Team 'MOHENGE' have been registered with Mr Protheroe heading up the staff team. A photo shoot will take place when we return after the half term holiday and then the race is on to find the best moustache!

May the best 'tache' win!!

MOVEMBER
CHANGING
THE FACE
OF MEN'S
HEALTH 

KADI WARD

Many of you will have already heard the sad news about Kadi Ward. Kadi attended our school from 2005 to 2010. Sadly she was diagnosed with Motor Neurone Disease approximately 18 months ago and tragically passed away last week.

Many of our students knew Kadi and even those who didn't, have shown great empathy for her family and their loss.

Students and staff have been fund raising in memory of Kadi and there will be an evening of Aerobics/Zumba on the 15th November in memory of Kadi details are below.

AN EVENING OF AEROBICS/ZUMBA IN MEMORY OF KADI

Please join us on Thursday 15th November, 6.30 - 8.30

At Stonehenge School (main hall).

A £5.00 donation in memory of Kadi would be gratefully
received

YEAR 7 SUMMARY

Year 7 students receiving their awards in assembly from Mr Roper. The awards were for being the top three students in their groups on the PARS behaviour table.

l/r Marcus Gales, Victoria Cornwell & Luke Brown

l/r Threem Waszeem, Antony Collins & Sanieta Matanatabu

l/r Emily Molyneux-Downs, Domonic Cuddy & Erin Downie

l/r Finlay Gilmore-Lloyd, Jacob berry & Sarah Falconer

l/r Rebecca Oddie, Katie George, Chloe Maffey

Miss Harris

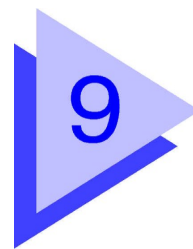

Year 7 Progress Leader

harrisg@stonehenge.wilts.sch.uk

YEAR 9 SUMMARY

Collapsed Timetable Day

Mr Langley's trip to London was a huge success and Year 9 are very grateful to him for organising this trip. Kaitlyn Coffey and Megan Mantle thanked Mr Langley publicly during a Year 9 assembly and present Mr Langley with a card and token of their appreciation.

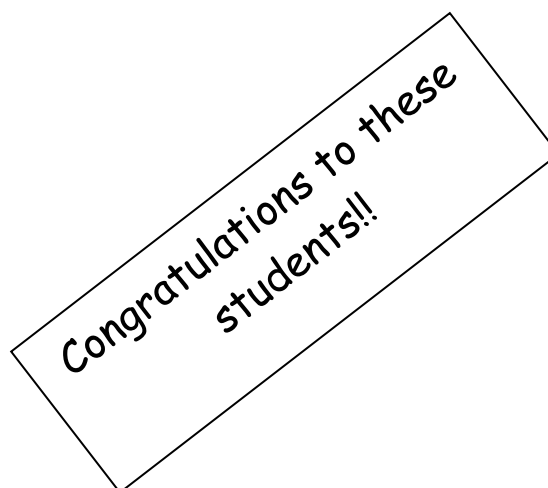

We have a new 'Points' system and...

Position	Name	Tutor	Year to Date Points
1	Muir, Adrian	9CSL	92
2	Birks, Montana	9GJW	90
3	Maple, Ellie	9RCL	88
4	Gillett, Emily	9GJW	86
4	Hammond, Gemma	9ELB	86
6	Downie, Claudia	9ELB	84
6	Hawkins, Steven	9ELB	84
6	Sherburne, Holly	9CSL	84
9	Bills, Nicole	9ELB	83
9	Smith, Holly	9ELB	83
9	Traynor, George	9ELB	83
12	Beck, Emily	9ELB	82
12	Collins, Daniel	9ELB	82
12	Hill, Jodie	9RCL	82
12	Ivemy, Oliver	9GJW	82
12	Phillips, Cerys	9ELB	82
17	Markham, Aaron	9RCH	81
17	Mauchline, Euan	9CSL	81
19	Davies-Tyler, Eloise	9GJW	80
19	Hari, Pooja	9RCH	80

The students with the most points on the new PARS system are currently:

There will be a prize for the first three students to reach 100 points !!!

Students who have received the most points this term so far are:

Muir, Adrian (9CSL) ☺	9CSL	52
Birks, Montana (9GJW)	9GJW	39
Lawson, Abigail (9RCH)	9RCH	37
Traynor, George (9ELB)	9ELB	37
Walker, Tyler (9RCL) ☺	9RCL	37
Beck, Emily (9ELB)	9ELB	35
Gillett, Emily (9GJW)	9GJW	35
Maple, Ellie (9RCL)	9RCL	35
Sherburne, Holly (9CSL)	9CSL	35
Loveridge, Olivia (9GJW) ☺	9GJW	34
May, Amy (9CSL)	9CSL	34
Weldin, Ewan (9ELB)	9ELB	34
Bills, Nicole (9ELB)	9ELB	33
Hammond, Gemma (9ELB)	9ELB	33
Smith, Holly (9ELB)	9ELB	33
Downie, Claudia (9ELB)	9ELB	32
Hari, Pooja (9RCH)	9RCH	32

However it is important not to lose points by poor behaviour!!

Set Moves

There will be set moves after Christmas, so impress your teachers NOW if you have ambitions to be moved into a higher teaching set.

Peer Mentoring

The Peer Mentors are continuing to do a good job and to support Year 7's in their early days at Secondary School. They should be proud of their mature and responsible approach to this important job

Focus for Year 9

Year 9 is when students choose their options.

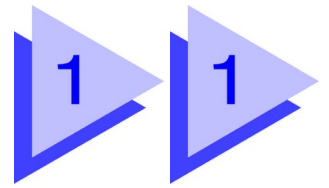

Top Tips:

Think about which subjects you want to choose and try to get ahead in them, so you will start in the class which challenges you to achieve the best possible results in that subject.

Mrs R Eveling

Year 9 Progress Leader

evelingr@stonehenge.wilts.sch.uk

YEAR 11 SUMMARY**Reflection**

As this first term draws to a close can I thank the year 11 students for their continued attendance at the revision classes. It's not always easy to stay after school but with effort and commitment, we should see some of those GCSE predictions improving. Indeed many students did very well in their recent Mock Maths paper. A reminder that after the half term break, the Mock exams will continue, so I must urge everyone to keep up with the revision over the break.

Wednesday revision sessions will continue to run after the holiday and ALAN tests are due to run on a Tuesday after school. I will also staff room 9 for an hour on a Monday and Thursday after school for anyone needing time/space/support with their learning.

RPA

Many parents have phoned in to enquire about government legislation regarding the school leaving age.

The statutory school leaving age remains at 16, and for the current Year 11 there is no change. For the current Year 10 and Year 9 the participation age is increased to 17, and for Year 8 onwards it is increased to 18.

However, students are advised to look at appropriate college courses and we would encourage students and parents to visit the upcoming post 16 open evenings.

Congratulations

A huge congratulations to the outstanding Year 11 football team. Their success is reported in more detail in this newsletter. I would also like to congratulate Miss Roberts' tutor group, who won the attendance trophy the most amount of weeks this past term. Well done 11JMR! Finally, I would like to highlight the top ten students on PARS this term, whose effort and attitude to learning truly is worthy of praise:

Katie Newham, Dana Jackson, Jessica Andrews, Giorgio Downie, Courtney Sim, Amy Curtis, Paige Tudhope, Ruby Collinson, Sophie Pearey, Simani Sidhu and Sharntelle Snowden.

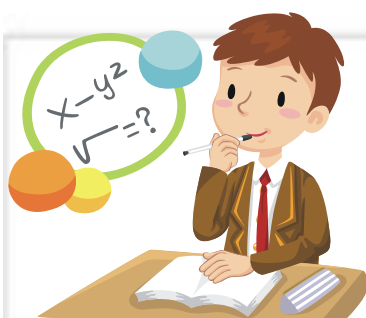

Thank You

Thank you to everyone who donated to the Trussell Trust and to the prefects who helped organised the collection. Hope everyone enjoys their half term break and I look forward to seeing everyone eager to learn in a couple of weeks' time.

Mrs Staker

Year 11 Progress Leader

stakerf@stonehenge.wilts.sch.uk

Year 11 Maths Revision

EVERY WEDNESDAY

W band: Week 1

Sets 1 & 2: Room 55 Sets 3 & 4:
Room 54

Z band: Week 2

Sets 5: Room 56 Sets 6-8: Room 53

There are only 17 teaching weeks until all Year 11 sit their first GCSE Maths exam on 27th February - revision is **COMPULSORY** for all students, above and beyond the regular home-work being set.

Children In Need

On Friday 16th November the school will be raising money for Children In Need once again. We will have a mufti day with a theme of spots and will be running many special events. Equality House reps are currently troubling their tutors to organise special activities for the day.

Mr Langley

This term has seen the return of the virtual babies. The students involved had a very challenging, interesting weekend when they took a baby home to look after. This has proved to be a very worthwhile venture.

I would like to express my thanks to all involved. Firstly to the students who braved a sleepless weekend each. To Mrs Jo Triffitt from the mothers union who loaned the babies to us and passed on useful advice. To Mrs Gillian Clarke, school governor, Rosheen Ryan, volunteer and Reverend Jo Naish who supported both myself and the students.

Hopefully this opportunity will be available again next year so watch this space.

Wednesday 17th October witnessed the **Stonehenge Quiz Night**. Thank you to all students and visitors who took part despite the rain outside. I am sure not too much cheating took place but a lot of fun was had by all.

Nine teams took part. They were: **No cheating** : **S.O.S** : **The colour purple** : **Bulldozers** : **Three of a kind + one** : **The team with no name** : **The Inbetweeners** : **They think it's all over** : **Kauto Stars**.

The winners of the wooden spoons were **The Inbetweeners**, in second place was **Kauto Stars** (a few teachers in that group !!) and the overall winners were **The Colour Purple**.

The actual winner however was our cause. All donations are going to the family of Kadi Ward to support them in this difficult time. Our thoughts are with the family.

We managed to raise **£120.00** in total.

Thank to all who took part and especially a big thank you to Mr Monk for his very thought provoking and challenging questions.

Sophia Moody (Chair FOSS WAY)

Chocolate prize to give away:

MATHS CHALLENGE 4

To win a large bar of chocolate and 2 tutor points, bring the best written solution to Mr Greeves in room 54.

The mega challenge:

An amazing mathematics teacher separated the boys and girls in his class. He offered a prize each day to the side of boys or girls with the greatest sum of their ages.

Day 1: There were only one boy and one girl in attendance. The boy's age was twice that of the girl's, so the first day's prize went to the boy.

Day 2: The girl brought her sister to school, and it was found that their combined ages were just twice that of the boy, so the two girls divided the prize.

Day 3: The boy had recruited one of his brothers, and it was found that the combined ages of the two boys were exactly twice as much as the ages of the two girls, so the boys won that day and divided the prizes between them.

Day 4: The two girls appeared accompanied by their elder sister; so it was then the combined ages of the three girls against the two boys, and the girls won; once more bringing their ages up to just twice that of the boys'. The struggle went on until the class was filled up, but as our problem does not need to go further than this point, to tell the age of that first boy, provided that the last young lady joined the class on her twenty-first birthday. Now, guess the first boy's age.

Competition open to pupils, parents and staff too!

I have a number of entries to check for Challenge 5 (deadline Tuesday 08.30am). Challenge 4 has been extended for people to attempt over the half term break.

Winners to date (2 PARS points + chocolates):

Challenges 1 & 2: Adam Keating (9RCL)

Challenge 3: Aaron Markham (9RCH)

Door Challenge winners: Ellie McNickle, Victoria Godwin, Sarah Falconer (all 7JMG) and Aaron Markham (9RCH)

We are delighted a number of other students submitted their solutions too.

Can you win the Super-Prize?

MATHS CHALLENGE 5

To win the Super-Prize and 2 tutor points, bring the **best drawn solution** to Mr Greeves in room 54.

The challenge:

What is the maximum number of magic beans that
can be planted,
not closer than 9cm apart,
in a square of area 2704cm^2 ?

Competition open to pupils, parents and staff too!

County Selection

Congratulations to Ruby Collinson and Lucy Brewer who have been selected for this year's Wiltshire School Football Association Under 16's squad; the girls will compete in the Inter County competition. Ruby and Lucy have been fantastic servants to school sport and continue to excel.

Mr Protheroe

Stonehenge Cross Country Teams In Schools Cup Action Perform Well

The following pupils represented The Stonehenge School on Tuesday 2nd October at Leweston School, Sherborne, Dorset in the County Round of The English Schools Cross Country Cup. The weather was dry for the duration of the races and all Stonehenge pupils performed admirably in their respective races. The full results are as follows;

The Intermediate Boys team finished 5th with pupils finishing in the following places; Year 10 Tyler Faircloth, 7th; Macauley Stephens, 17th; Year 9 Asa Wilman, 18th; Year 10 Shane Harris, 24th; Owen Evans 26th

The Intermediate Girls finished as follows; Year 9 Claudia Downie, 22nd; Year 10 Jasmine Bucannon, 33rd; Sophie Joynson 49th Chantel Herrity - injured D.N.F. No Team Score.

The Junior Boys finished as follows; Year 8 Josh Sommerton, 10th; Year 7 Finley Lloyd -Gilmour, 13th; Year 8 Theo Card, 24th; Tom Price, 26th; Scott Conley, 39th; Connor Dean, 41st; Year 7 Christian Beecher 49th. The Team finished overall 4th. Unfortunately the worst place to finish, as only the top Three teams qualified for The Regional Final in November. A near miss for Stonehenge.

The Junior Girls finished as follows; Year 8 Jessica Hall, 17th; year 7 Morgan Ringwood, 39th; Chloe Maffey, 58th; Year 8 Olivia Worrall, 59th; Hannah Aitken, 61st; Sophie Williams, 69th. The team finished in 10th place just one point behind the team in 9th.

Well done to all those who represented their school so well.

Mr. Monk

YEAR 8 'QUIT'

Oct
2012

This is Henry- His tutor group wrote down the effects of smoking and then placed them in the correct place on the body!

Smoking Poem- 8CLM

*smoking is bad,
If you smoke you must be mad!*

*I cant put up with the chocking,
Its all because of the smoking.*

*People need to be restricted,
Because their so addicted.*

*Smokers need to stop,
Because they loose the plot*

'Quit' PSHE Day

The day was spent in tutor groups completing quizzes, worksheets, poems and dramas all based around non-smoking and healthy living. A company called 'Quit' gave a interactive presentation discussing the health implications of smoking. At the end of the day pupils had to give a presentation to the rest of their class.

Well done to all pupils who took part, your tutors were impressed with your work.

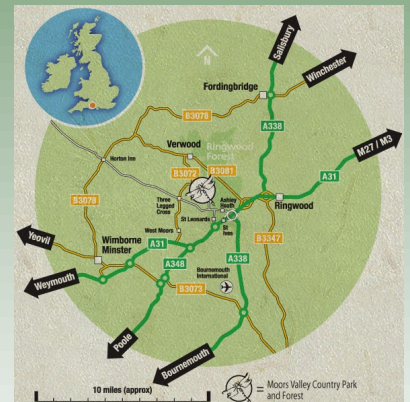

MOORS VALLEY COUNTRY PARK TRIP

As part of the Curriculum Enrichment Day Year 11 Child Development spend the day at Moors Valley Country Park (<http://www.moors-valley.co.uk>) studying aspects of physical play.

Students completed the trail walks, rode the bike trails and tried out the play equipment. This was a great way to gather background materials for the GCSE coursework.

Thanks to Mrs Smith and Mr Faulkner for accompanying us.

Mrs Fletcher

YEAR 9 LONDON TRIP

On Friday 12th October 2012, Year 9 went on a day trip to London. Stuck on the coach for 2 hours was tiring but I powered through. Singing was heard throughout the journey. When we arrived we stopped by The London Eye, it looked horrifying and I refused to go on, I whined and moaned but I went on anyway. It was fun, you could see the whole of London, we all freaked out as the pods below us disappeared from one side to another. Next, was the boat trip, that was fun too. We sat in rows of four all in a line listening to a lady speak through a microphone about everything we passed, and I mean everything. We stopped off and had lunch where we found street performers, a wide range too, from street dancer and to people with cords up their arms thinking they are levitating. Next we all watched a group of Nigerians perform some amazing stunts with oo's and ahh's being heard all around us. After all that excitement we went to a 4D experience and we headed back to school with a wonderful day now behind us.

Nicole Young 9S

You can see a brilliant video of the trip if you go to the following link on Youtube <http://www.youtube.com/watch?v=ULrNlXpT-4U>

TERM UPDATE

NETBALL 2012

YEAR 8 NETBALL TEAM AND
UMPIRES MOLLIE ROBINSON AND
JESS HILLS

It's been a busy start to the Netball year!

We are off to a great start with the Netball this year. We have had a good turn out to club on a Monday with over 25 students turning up to practice skills and game play.

Year 8, 9, 10 and 11 have all played matches against Avc, Wellington and Pewsey.

A special thank you to Mollie Robinson and Jess Hill for umpiring.

Year 11

Charlotte Rowe, Jess Hills,
Mollie Robinson, Ruby Collinson

Year 10

Abbie Coulter, Jen Kee,

Year 10&11 Girls

Jasmine Bucannon 7th, Ruby Collinson 14th, Sophie Joynson 17th, Mollie Robinson 28th.

salisbury Xtreme

Salisbury's alternative sports club

Wiltshire's Xtreme Sport Clubs

Salisbury Xtreme alternative sports club is one of several Xtreme Clubs across the county that have been set up and run, solely or in partnership with other organisations, by Wiltshire Council. They offer a variety of alternative sports activities, on a regular basis, for young people to access, enjoy and achieve in.

Currently there are Xtreme Clubs being run in Bradford on Avon, Calne, Warminster, Pewsey, Salisbury, Tidworth and Trowbridge with all projects providing term time sessions.

Opportunities for young people to become future leaders of the clubs are actively sought, with leadership courses and sports qualifications being considered for the right members. For more information about any of these clubs please visit www.wiltshirecouncil.gov.uk/xtremeclubs

Benefits of Xtreme Clubs

Young people's participation in positive leisure activities builds vital social and emotional skills. It is highly important to their personal development and overall health and wellbeing and can counteract negative influences.

Some of the key skills being developed by young people involved in Xtreme Clubs are:

- assessing strength and weaknesses
- solving problems
- coping with stress and tension
- resolving conflicts
- seeking out information and advice
- dealing with people in power and authority

Salisbury Xtreme

Salisbury Xtreme alternative sports club offers a fun and friendly environment for young people between the ages of 11 and 16 years old to experience alternative and extreme sports such as power kiting, mountain boarding, parkour, dodge ball, rock-it ball, ultimate frisbee, archery, indo-boarding and skateboarding.

Salisbury Xtreme also offers day trips in the school holiday periods offering skiing, climbing, zorbing and go karting.

Salisbury Xtreme costs £5 to join. Activities are £2 per session, with an additional cost for the day trips.

All activities run on a Tuesday evening, 6pm-7.15pm, at various locations in Salisbury. Free Salisbury Xtreme hoodies are available for all new members. Details available on the Wiltshire Council's sports development page: www.wiltshirecouncil.gov.uk/xtremeclubs

Consent forms

To take part in Salisbury Xtreme activities you must complete an up to date Salisbury Xtreme consent form with all of your contact and medical details. If any of your details change at any time please inform Karlene Jammeh immediately – contact details below.

Further information

For further information please call Karlene Jammeh, Sports Development Officer – South, Wiltshire Council on: 01722 434437 or email karlene.jammeh@wiltshire.gov.uk

Street Games

Street Games is a national charity bringing sport to the doorsteps of young people in disadvantaged communities across the UK.

In the UK, sport is traditionally laid on within a rigid structure based around clubs and schools. However, this method does not always appeal to young people, who may feel alienated as a result.

Instead, Street Games uses doorstep sport. Doorstep sport is sport brought close to the home of young people in disadvantaged communities at the right time, for the right price, to the right place and in the right style. All Street Games projects follow this method and are locally run and managed by leaders from within the communities.

The Xtreme Clubs programme has been awarded StreetMark, recognition of programmes being run successfully with this approach, and we are continuing to recruit new local volunteers to help support the delivery of these projects. If you are interested in becoming part of a network of Xtreme Club volunteers please contact Wiltshire Council's Senior Sports Development Officer, Paul Pritchard, on 07900 606860 or paul.pritchard@wiltshire.gov.uk

Lost Property

We have a number of items that have been handed in to lost property at reception.

- 1 pair 'Bootleg' trainers size 4
- 1 Ben Sherman Shoes/boots size 9
- 1 brown jumper 'New Look' size 12
- 1 pair black Nike trainers in a black drawstring bag size 9
- 1 Burgundy Hoodie size medium
- 2 x 'F & F' girls school trousers aged 13–14 years
- Navy blue and orange showerproof mac size 16
- Navy tracksuit bottoms (Back to School) aged 11–12 years
- 1 Brave Soul grey/yellow hoodie aged 11–12 years
- 1 x 'F & F' showerproof black mac size Medium
- 1 x grey Top shop coat size 10

If your child has lost an item recently, please ask them to come to reception to claim it.

Thank you, Reception staff

Microsoft Office Specialist Qualifications

OPEN TO PARENTS AND RELATIVES OF
STONEHENGE SCHOOL PUPILS

The Stonehenge School is pleased to offer Microsoft Office specialist qualifications. For just £70 you will get a 2 hour introduction and orientation session, 2 more tutorial

sessions, as well as time to practice. You will obviously get the chance to take the 1 hour tests after Christmas

- Word 2010
- Excel 2010
- Powerpoint 2010
- Real Work Related Qualifications
- Tutorial help
- Prices much lower than RRP

“ This is a genuine work related qualification for which you will get an official certificate on passing. It also brings greater employment prospects ”

These are qualifications aimed at people who are already users of Microsoft Office who want to become 'Specialists'. The first session will be 28th November. You can express an interest via the e-mail below. The website below has more information and a list of FAQ's. This is a great offer as the RRP of the tests alone is well over £150.
