New shelter that has been **built in 2012**

The shelter was put up to remind us of people who have worked at the school who are no longer with us and also to have a peaceful area where students can sit and enjoy some quiet time

Around the School

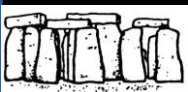

Dining Hall

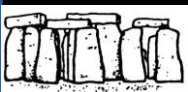

The dining hall was extended in 2011; this gave more room to move around in. There is a vending machine where you can buy drinks and a pasta king as well as a normal school lunch café which sells sandwiches and hot food

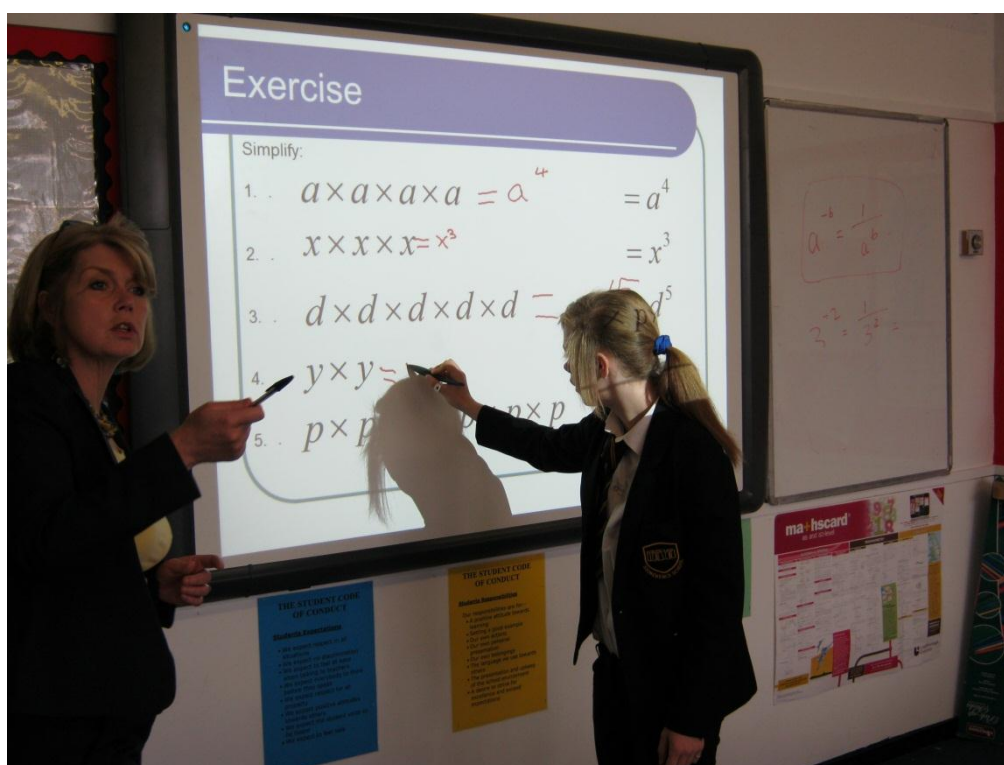

Science labs

This is one of the newest science labs at the school which was built in 2007 and named after one of the science technicians who had worked at the school for a long time. The new science block is named after her - the Rosindell Building

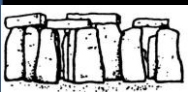

Maths Class

The school is a specialist center in maths and ICT.

All classes have interactive boards to make lessons more fun and allowing students to show off their skills

The Library

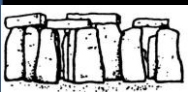

You can borrow books from the library and it's open at lunch time. Here you can sit reading a book, or go on the computer, as long as you are not noisy

PE

PE Sports Hall

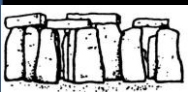

PE Changing Room

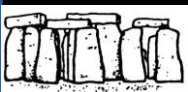

Most of the sports we do at the school are inside and outside; some of the sports school does are football, rugby, basketball, tennis, badminton and many more. The changing rooms are locked up so there is no access to the public, and all valuable items you give to the PE teacher who locks them away.

Lockers

The Lockers are dotted around the school and monitored by CCTV. They normally cost around £35; this covers all the time you're in school
