

Sports team thrash the competition!

Stonehenge School football team has a great season!

Reporters: Sean and Megan

We interviewed *Calum* and *Finley* about their football team and how important it is to be part of the team.

Earlier today we asked Calum and Finley about their school football team and what they hope to achieve in the world of sports in the future. We asked them a few questions about their past matches.

When asked about their performance this season, they said they had won four matches and lost only two. We also asked if they could reveal their tactics on being great sportsmen; they said to look for open spaces and the most obvious tactic of all - passing.

We also asked which football team they would want to join in the future. Finley said Tottenham, and Calum Manchester United.

Another question we asked is how they train and they replied: "We start by warming up our muscles so they don't tear and stretch while playing."

In training and before matches, they tell us they learn many drills including passing, shooting and goalkeeping.

The top players in the team according to our interviewees are, Calum, Finley and Sam. In fact, Calum has won Man of The Match in most games, including scoring three goals in one game.

A great season, and congratulations must go to the whole team!
