**Ref: Stonehenge School Year 5 Taster Day.**

As part of our outreach programme we have arranged 4 taster days for Year 5 students to come along and experience a day with us and as we have had students from your school this year we have for This will be an opportunity for your students to sample some of the lessons they can expect to find at Secondary school and to familiarise themselves with the staff, students and the routines of a secondary school day. The dates are Tuesday 20<sup>th</sup>, Thursday 22<sup>nd</sup>, Tuesday 27<sup>th</sup> and Thursday 29<sup>th</sup> June 2017. I have enclosed post cards with the information on them for distribution to your parents as they will have to book their child in for one of these dates with our receptionist.

There will be a range of activities provided throughout the day to engage and inform students. In order to achieve this students need to arrive in their own uniform no later than 8.45 am and can be collected at 2.30 pm

It would be advisable for pupils to wear sensible footwear for the day's activities; ideally trainers as they will be physically active throughout the day. Lunch will be provided for all students but please can we ask that students bring some form of break time snack/refreshment.

It promises to be a busy day for all and one that will hopefully help to allay any concerns that your students may have about life in a secondary school.

I have also enclosed a poster detailing the dates for our Open Evening and Open Morning which we would be grateful if you could display.

If you have any concerns about the Taster Day or require any further information on our Open Evening/Morning, please don't hesitate to contact us.

Yours faithfully

Mrs Tracy Roberts  
Assistant Headteacher
