School Business Manager

Mrs. C. Busby B.A. (Hons), ADSBM

Dear Parents/Carers

As we approach the end of the year students in Years 7, 8, 9 and 10 will be sitting some exams in order to support our judgements about progress in certain subjects, and to help students understand the key steps that they need to take in the following year.

Year 7 will sit Science exams in science lessons on 21st June, and Maths exams in lesson time at various points (hence not on the official timetable). English will be assessed using tasks completed in class as part of the normal assessment practice in that subject.

Year 8 will sit two Maths papers and one Science paper. English will be assessed using tasks completed in class as part of the normal assessment practice in that subject.

Year 9 will be sitting a Maths exam and an English Language exam. They have already completed a Science exam this year and will be assessed further on GCSE Science next year.

Year 10 will sit 3 Science exams (all on the 15th June), 3 Maths exams, and an English Literature exam (except set 5 students who will sit an English Language Paper).

Lessons and any additional Homework will be preparing students for the exams, and teachers will advise the students on what revision is necessary.

Yours sincerely

C A Dean
Deputy Headteacher
