Dear Parent/Guardian

Ref: Stonehenge School Year 5 Taster Day.

As part of our outreach programme we have arranged 4 taster days for Year 5 students to come along and experience a day with us. This will be an opportunity for your students to sample some of the lessons they can expect to find at Secondary school and to familiarise themselves with the staff, students and the routines of a secondary school day. The dates are Tuesday 2nd, Thursday 4th, Tuesday 9th and Wednesday 10th July 2019.

There will be a range of activities provided throughout the day to engage and inform students. In order to achieve this students need to arrive in their own uniform at 8.45 for a 9.00 am and can be collected at 2.30 pm

It would be advisable for pupils to wear sensible footwear for the day's activities; ideally trainers as they will be physically active throughout the day. Lunch will be provided for all students but please can we ask that parents provide some form of break time snack/refreshment for their child as they would normally for their school day.

It promises to be a busy day for all and one that will hopefully help to allay any concerns your students may have about life in a secondary school.

I have also enclosed an invite card for each student with information about the dates as well as posters detailing the dates for our Open Evening and Open Morning which we would be grateful if you could display.

If you have any concerns about the Taster Day, please don't hesitate to contact us.

Yours faithfully

Mrs Tracy Roberts
Assistant Headteacher
