## THE STONEHENGE SCHOOL

13<sup>th</sup> September 2019

Dear Parent /Guardian

### Re – Year 11 Success Evening

#### Want to ensure you can support your Year 11 through their GCSE year to achieve the best possible results?

As your son/daughter embarks on their final year of Secondary school and prepares for their GCSE exams, we would like to invite you to an information evening that outlines the experience that they will have in the year ahead, and explores how parents can best go about supporting them in this final year.

The Year 11 Success Evening will take place in the Main Hall on Thursday 26<sup>th</sup> September from 6pm until 7pm.

On the evening you will receive:

- A **customised** report for your child outlining how they perceive their own Vision, Effort, use of Systems, how much they Practise for exams, and what their Attitude to themselves and their study is.
- Advice on how to help them organise their revision time most effectively
- What revision tools are available to support them through the year
- How Year 11 will be structured to support them/important dates to be aware of
- Information on how to get the best results in English and Maths
- Advice from the Exams officer on procedures and protocols, and how the exams team will help support them

As your son/daughter embarks on the journey of their final year at The Stonehenge School it is vital that we all work together in order to ensure that we are able to help your son/daughter achieve their true potential.

I look forward to seeing you on the 26<sup>th</sup>.

Yours sincerely

Mrs C Dean
