Dear Year 11,

As I mentioned in assembly, we are in unprecedented, uncertain and tumultuous times. I know that the uncertainty of everything is playing on your mind, I wish I could provide immediate clarity and I'm sorry that I cannot.

I would like to reiterate, as I said in assembly, some reassurances for you:

Firstly, the reassurance that I and all of your teachers will do everything we can to ensure that you are awarded the grades you deserve in recognition of your hard work over your time with us.

Secondly, the reassurance that if we can hold a more formal 'leavers' day', we will. I know you may feel disappointed about the way that Year 11 has come to a rather abrupt end, we understand that. As a year group, you've had more than your fair share of ups and downs.

Thirdly, the reassurance, again, that if we can hold a prom, we will do so. It's still a few months away, and none of us know what will be possible then, but again, if we can, we will.

We don't know the intricacies of how your GCSE grades will be awarded, this has yet to be announced by Ofqual and the Examining Boards, but rest assured we will act in your best interests, as we have striven to throughout your time at Stonehenge. As soon as we have that information and some greater clarity then we will pass that on to you.

On a personal note, I would like to thank you for all your hard work and wish you absolutely every success for the future. It's been an honour and a privilege to be your Progress Leader.

Mr A Vickery

Progress Leader, Year 11
