Dear Parents and Carers

As more people are returning to work we have inevitably had a rise in the number of requests for school places for the children of key workers who cannot be safely left alone at home.

In order to ensure that we have safe staffing levels we ask that you reserve a place by emailing - admin@stonehenge.wilts.sch.uk

Stating –

Your child's name and tutor group

Your key worker role

The days of the week you require a place

An emergency contact number

We do understand that shifts and work patterns can change at very little notice but we would ask you let us know by 6pm the night before of any changes.

Children with an allocated social worker are welcome at any time but again we do need to know which days places are required.

As of 1st June our supervised childcare will end at 2.50 pm rather than 3.00pm to allow our pupils to collect primary school siblings where necessary.

With many thanks for your cooperation

Yours Faithfully
