ACADEMY

MOR/JON

01 July 2020

Dear Parents & Students

**RE: Sixth Form Virtual Open Evening – Monday 13<sup>th</sup> July 2020**

Around this time, we would normally invite you in to the Academy for our Year 10 open evening. As you might imagine however, things are a little tricky this year! Notwithstanding Covid-19's best efforts though, we are writing to invite you to our Virtual Sixth Form Open Evening at Sarum Academy to be held online on Monday 13<sup>th</sup> July 2020 from 5:30pm until 6:30pm.

During the event, there will be a live presentation from both Mrs Moore and Mr Jones, who will outline all the opportunities available to students after Year 11 and give guidance on how to apply, followed by the opportunity to talk to teachers about the subjects on offer, where they might lead to, as well as a Q & A session with current students. Full details will be sent closer to the time and all the presentations and videos will be available on our website shortly afterwards if you can't attend. All you need to do is to register here so we can send details directly to you:

Sarum Academy Sixth Form offers a full range of courses from A Levels to Level 3 BTECs, as well as more vocational qualifications which allow us to be successful in meeting every student's learning needs. With partnerships from Southampton FC and a dedicated hair salon, it is an exciting time as we look towards 2021 with record numbers of enrolments this month and our successful grading of "Good" for our Sixth Form from our last OFSTED inspection.

The Open Evening will also be a chance for Year 10 students to start thinking about their post 16 future choices. This will allow Year 10 students plenty of time to make decisions about their futures without the pressures of exams.

Sixth Form students also benefit from being a member of an Academy which has dedicated support for academic achievement from their Tutors, strong pastoral care and professional careers and educational guidance. Many of our students comment that they come to the Sixth Form because they know staff will help them achieve their very best.

Following our excellent Sixth Form results in August 2019, students make better progress here than the national average. High numbers of students go on to University, Apprenticeships and Employment and there are many reasons to explore our offer from Sarum Academy Sixth Form.

We look forward to meeting you online and showing you around our established and successful Sixth Form.

Yours sincerely,

Mrs J Moore  
Deputy Headteacher

Mr G Jones  
Head of Sixth Form
