Dear Parent and Student

Please find a section of our curriculum recovery plan that we wrote home about a few weeks ago. You will see information for subjects outlined below. They have identified one piece of work from the lockdown that should be completed if possible before school returns in September (eg. we completely understand that you may have fallen behind or missed out particular pieces of work during the lockdown period). So the 'essential' list is worth checking through to spot the key pieces of work.

Subjects have also provided some ideas of creative ways that you might wish to keep learning flowing over the Summer holiday. This list is for you to use as you please, as we also understand that many of you have been working incredible hard this year and will want a well-earned rest. View it as a rainy day list perhaps?

Kind regards

Mrs. C. Dean

Deputy Head

YEAR 10 INTO 11		
SUBJECT	ONE ESSENTIAL PIECE OF WORK FROM LOCKDOWN	SUGGESTED SUMMER HOLIDAY ACTIVITY (OPTIONAL)
ART	8 single tasks to be made by 1st September. They are: 2 studies of their chosen 1st Artist 2 studies of their chose 2nd artist 4 studies from 4 different photos they have taken on their chosen theme	Produce 3 ideas for your unit 2 final piece
BUSINESS STUDIES	Students have been asked to complete mind maps for Units 1.4 (half content taught) and 1.5 (which has not been taught). They have also to complete PLC's for these two units. The have also been set Seneca assignments for these two units, along with others for all of paper 1. All work is on SMHW, along with the PLC's and a virtual textbook, GCSEpod playlists, and links to BBC bitesize.	Revist some topics from the last year.
COMPUTER SCIENCE	All GCSE POD, Edmodo and Seneca quizzes/tasks that were set on data and algorithms	GCSEPod playlist- https://members.gcsepod.com/shared/playlists/playlist/3300100/63898
