WELCOME FROM THE HEADTEACHER

At the Stonehenge School we believe that there is no limit to any student's potential. We aspire to develop a positive learning community in which effort, participation and achievement are valued.

Striving for excellence, we aim to create an outstanding school where students are happy, healthy and given opportunities to exceed their expectations. Enriched by history and culture, Stonehenge is a school for the future.

The school is increasingly popular and to cater for a growing roll we have recently moved into our £6.5 million new build. Applications for entry into Year 7 have been over-subscribed in each of the last two years and we are expecting a further increase this year.

The school community is important to us, meaning that we have strong relationships with our students, and a collegiate supportive atmosphere within staff.

PERSONALISED PROVISION

The Stonehenge school provides students with the opportunity to study a wide spread of subjects throughout Key Stage 3 and 4, providing full access to the National Curriculum with coverage of the full Ebacc at Key Stage 3, including 3 languages and a full range of arts subjects.

Striving for excellence, exceeding expectation.

At Key Stage 3, key skills and knowledge are assessed using our 'I can' system, allowing teachers and students to keep track of their learning and progress. Students are given the flexibility and ownership to design their own option choices towards the end of Year 8, meaning that students study the curriculum that they choose, whatever their ability, allowing them to fully realise their future aspirations. At Key Stage 4 students are offered the full Ebacc, and the importance of taking a humanities and a language is discussed with parents as part of the options process. A variety of vocational courses are also offered to allow for development towards particular careers, or the pursuit of individual interests.

PREPARING FOR THE FUTURE

Qualifications are highly important, and our examination results reflect our commitment to this. However school is also about preparing students for their future career and roles in the larger community. Students are offered many opportunities to develop team working and leadership skills. The prefect team in Year 11 is led by the Head Boy, Head Girl and their deputies. Students can initiate projects and share decision making through an active School council.

Careers guidance is provided throughout all years. A large number of students enjoy taking part in activities throughout the school year, including drama productions and musical concerts. We have excellent sporting facilities on site and at Amesbury Sports Centre, and run many sports teams and offer a number of extra-curricular sporting clubs, including rugby, basketball, netball, hockey, football and cricket. Trips and visits are run regularly; Year 9 can visit Pencelli Activity Centre in Wales and current trips planned include food trips to Normandy, outdoor pursuits in the Alps, and Geography trips to Iceland. There are regular Geography field trips, annual whole school cultural capital trips and the Languages department arrange annual visits to France or Germany.

The latest Ofsted inspection took place in April 2017 and concluded that... "The Stonehenge School continues to be good" and that "pupils are great ambassadors for the school. They are smart, polite, respectful and a joy to talk to".

A recent evaluation by the Local Authority reported that 'there is a positive and respectful school culture where the staff know and care for the students' and the 'leaders have a clear consistent vision which is realised through strong, shared and owned values and practice', and praised the emphasis that we place on developing our staff.

I look forward to welcoming applications from you,

Nigel Roper

The IT and Computing Department

The Stonehenge experience provides a wealth of opportunity for students and staff to develop and work together to build a strong and ambitious future, where individuals can thrive and flourish in a supportive and caring community.

The IT department are based in the brand new £6.5 million building with state of the art IT suites and it delivers courses to KS3 and KS4 including Computer Science (KS3 & KS4), Information Technology (KS3) and Creative Media (Year 9 & KS4). We have a wide range of applications available including Adobe Creative Suite.

We have a vibrant and rich KS3 curriculum which covers e-Safety, Programming, how computers work, creative media and using applications. Students are identified early on as gifted talented in the subject and are invited to join the 'Gold Programme' of enrichment. A trip to Bletchley Park is organised every year and we have engaged the students further by working with the Royal Signals.

Both Creative Media and Computer Science are popular options at KS4

The Creative Media course we offer is the "Pearson BTEC Level 2 Tech Award in Creative Media Production" which is taught at Year 9 (skills building year for those who have chosen the subject in Year 8) and then at KS4. With the pupils building their skills learnt from Year 9, KS4 students will be ready take this course. This popular course is for learners who want to acquire technical knowledge and technical skills through vocational contexts by applying the learned knowledge and processes related to investigating, exploring and creating media products as part of their Key Stage 4 learning.

We pride ourselves on delivering exciting courses, real world experience from our staff, pupil enrichment opportunities and all within a state of the art IT facilities that will help you to teach and enable our pupils to flourish and progress.

Teacher of Creative Media and IT

Start Date: January 2021

Salary: MPS/UPS

Full Time. Part time available - 0.6

Closing Date: Friday 9th October, 3pm

We are seeking to appoint a dynamic, committed and inspirational teacher of Creative Media and/or IT for January 2020. The successful candidate will be an organised, positive and passionate individual with a strong work ethic. You will be highly motivated, able to work collegiately and demonstrate the ability to excel in a truly inspiring educational environment.

In January 2020, the successful candidate will join a friendly, highly professional and supportive team of staff. You will be able to teach the BTEC Creative Media course at KS4 and teach KS3 IT (full training and support is available). You will have a passion for the subject with an ability to inspire it in others and bring new ideas to the department. The successful candidate should be able to teach both the theoretical and practical aspects of the BTEC Creative Media course.

This is an excellent opportunity for a NQT seeking a first appointment, or a more experienced teacher.

We are looking for colleagues with:

- a commitment to raising achievement
- the ability to engage and support students
- an enthusiasm and deep knowledge of the subject area
- A commitment to help all young people and staff to achieve their best is expected of all staff.

Please apply via a two sided letter detailing your educational philosophy, experience to date, and how you would contribute to the work of the department and the wider school community. Application form and further details are available from the school website and should be returned to Mrs D Harker, The Headteacher's PA, The Stonehenge School, Holders Road, Amesbury, Wiltshire, SP4 7PW.

Closing date for applicants: Friday 9th October, 3pm

Interviews to be held: Week beginning 12th October

Job Description

The Stonehenge School is a Wiltshire Council mixed comprehensive school for students aged 11-16

Salary Range: MPS 1-6 (U1-3 as appropriate)

Full Time. Part time available - 0.6

Responsible to: Headteacher, under the day-to-day management and leadership of the Head of IT and Computing.

In addition to carrying out the professional duties of a school teacher in accordance with the current DfE's School Teachers' Pay and Conditions document, the post holder shall, in consultation with the Head of Department and Headteacher:

1. teach across the age and ability range, in line with the National Curriculum programmes of study, in such a way as to challenge and inspire students of all abilities
2. plan , prepare and teach lessons to students assigned to him/her according to the students' educational needs with reference to prior attainment, SEN and English as an additional language as required
3. assess, record and report on the development, progress and attainment of students assigned to him/her in line with school and departmental guidelines
4. contribute to the planning and implementation of the curriculum in accordance with the National Curriculum, school and departmental guidelines
5. liaise with colleagues to ensure a coherent programme of study for the students assigned to him/her
6. set high expectations for students' behaviour establishing and maintaining a good standard of discipline through well focused teaching and through positive and productive relationships
7. be familiar with, support and reinforce the aims, ethos, policies and procedures of the school and department with students, staff and parents where appropriate
8. promote enrichment activities related to the subject
9. be responsible for an aspect of the Department Development/Improvement Plan, as agreed with the Subject Leader

All teachers take an active role in the school's pastoral care of students.

The person undertaking this role is expected to carry out such other duties as may reasonably be assigned by the Headteacher, including attending meetings and events in line with the school calendar.

The above responsibilities are subject to the general duties and responsibilities contained in the Statement of Conditions of Employment.

This school is committed to safeguarding and protecting the welfare of children and young people and expects all staff and volunteers to share this commitment. All posts are subject to an enhanced CRB check.
