Headteacher

Mr. N. D. Roper B.Sc., NPQH

School Business Manager

Mrs. J. Wakeham

Dear Year 6 Parent,

Unfortunately due to the ongoing COVID-19 pandemic we are sadly not accepting any visitors including our own parents to the school site to enable us to maintain the strict social distancing guidance we have received from the Department for Education to protect our students and staff.

We realise that this situation makes it challenging choosing a secondary school for your child but we hope you appreciate that we need to keep our whole school community safe at this difficult time.

Please keep checking our website www.stonehenge.wilts.sch.uk in case this guidance changes. You will also find our current prospectus and plenty of information providing you with a taste of what we can offer as a secondary school for your child.

Do remember that you can apply now for a place for September 2021 online at www.admissions.wiltshire.gov.uk/prefs.php (deadline 31st October)

To give you a chance to learn more about The Stonehenge School and to ask questions, we are hosting virtual presentations using Microsoft Teams. Each presentation will be the same (about 45 minutes) but will have a focus on a specific area(s).

These are happening on the following dates:

Monday 12th October at 2.00pm - Curriculum
Tuesday 13th October at 5.00pm – Military and Teaching & Learning
Wednesday 14th October at 2.00pm – Curriculum and Transition
Thursday 15th October at 7.00pm – Curriculum, Transition and SEN
Friday 16th October at 10.00am – Transition and SEN

To book a place, please email the school office admin@stonehenge.wilts.sch.uk with the date you wish to book for.

Yours sincerely

Mr N Roper
