Mrs. J. Wakeham

Dear Year 10 Student,

I want to start this letter off by saying well done – every single one of you! You have all been so resilient and adaptable with regards to changes that have been thrust upon you. I certainly did not expect to be writing another letter like this to you all.

The Year 10 team have really enjoyed speaking to you and your parents either over the phone or via Teams over the past term. I want to take this opportunity to thank all of your families for their kind words and support for us when we have called, it has been really appreciated.

As half term looms it might be a good time to remind you that there is always someone available to talk to you at www.kooth.com should you need someone to help you at a difficult time. I want to reassure you whatever experiences and challenges Lockdown has brought, we at The Stonehenge School are determined that your education will not suffer, so please don't worry about that.

Your GCSE years have begun but not like any other and I am so sorry that we do not have all of the answers for you at this time.

I appreciate that individual circumstances differ and that it has been easier for some of you to work at home than it has been for others. At the time of writing this, we do not yet know the government plans for the next half term. We are hoping that the announcement of the roadmap on the w/c 22nd February will provide us with a clearer picture of what your educational experience will look like moving forward.

PARENTS/CARERS: Please do email/call me or your child's tutor if you feel we can help in any way.

Enjoy your half term and hopefully see you very soon.

Yours

Miss Pavey
Year 10 Progress Leader
