Dear Parents/Guardians

It was lovely to see so many parents at the Year 8 Parents Evening and we hope you found the evening useful.

On Thursday 12th May you have another opportunity to come into school and find out about the options process. Students have already had information in assemblies but this evening gives parents the chance to talk to individual Departments about the courses they offer. The evening will run from 16.00 - 18.00 with time to listen to Mrs Dean, speak about the options process, as well as an opportunity to drop into 4 different Departments. There will also be staff on hand, including Mrs Turnock from the SEN Department to address general concerns about the process and starting GCSES

Mrs Dean's talks will be held in the Main Hall in Lower School whereas the Departments will all be based in Upper School. There will be students from Year 10 who will be able to assist you find the classrooms.
