Our official PE kit supplier Stitch-A-Logo will be at the uniform event. PE kit is black and white with the school logo and consists of a compulsory branded performance PE Top with the option to allow students and parents to select a different choice of PE bottoms – shorts, skort, leggings as well as tracksuit bottoms. In addition, for easy identification, students can also opt to have their initials printed on their PE top at an additional cost.

PE kit can be purchased on the day or on-line at www.stitch-a-logo.co.uk Please place your order early to ensure you have the kit ready for your child starting school. If you have any queries about sizing or delivery, please contact Stitch-a-Logo or call 01264 351515. Items can also be purchased directly from the shop. Stitch-A-Logo's opening hours are Monday – Friday 9.00-5.00. They will also be open for two Saturdays 9.00-12.00 on the 2nd July and 9th July.

Stitch-A-Logo will also be at our Transition Evening on 6th July

If you are in receipt of Free School Meals or are an Ever6 family, please contact, Mrs Hoult, (hoults@stonehenge.wilts.sch.uk) who can organise a free PE Performance top from Stitch-A-Logo and a free blazer and tie from Kids Klobber. Please note that we will be required to check your Free School Meals eligibility with your child's current primary school before we can issue authorisation for these items. Alternatively, you can send a copy of your entitlement letter directly to Mrs Hoult at the school address shown at the top of this letter.

Your child will also be allocated to a House (Archer, Barrow, Sarum or Solstice) in September. The cost of a house badge is £1.50 and this will be added to your ParentPay* account in late August for September. House badges, once paid for, will be given to your child to take home where you can iron these directly centred above school emblem on the blazer pocket. We will provide a guidance video on our school website to help with the correct placement of the badge. Please note that we recommend that once the badge is ironed on, the blazer should be washed in accordance with the manufacturer's instructions.

*ParentPay account details will be sent to you separately during the summer.

I have attached a further information sheet about our uniform and PE kit requirements

We are also in the process of launching Uniform and our on-line second-hand shop. Please keep a look out on our website for more details.

Yours sincerely

Assistant Headteacher
