WELCOME FROM THE CO-HEADTEACHERS

At the Stonehenge School we believe that there is no limit to any student's potential. We aspire to develop a positive learning community in which effort, participation and achievement are valued.

Striving for excellence, we aim to create an outstanding school where students are happy, healthy and given opportunities to exceed their expectations. Enriched by history and culture, Stonehenge is a school for the future.

The school is increasingly popular and to cater for a growing roll we have recently moved into our £6.5 million new build, allowing our full number on roll to eventually grow to 1120 pupils. We have recently received confirmation that £6.5million in funding has been allocated for the second phase in our redevelopment, which will bring a new building to replace older facilities in the school, and improve our sporting facilities. Applications for entry into Year 7 have been over-subscribed in each of the last three years and we are expecting an even larger increase this year.

The school community is important to us, meaning that we have strong relationships with our students, and a collegiate supportive atmosphere within staff.

PERSONALISED PROVISION

The Stonehenge school provides students with the opportunity to study a wide spread of subjects throughout Key Stage 3 and 4, providing full access to the National Curriculum with coverage of the full Ebacc at Key Stage 3, including 3 languages and a full range of arts subjects.

Striving for excellence, exceeding expectation.

At Key Stage 3, key skills and knowledge are assessed using our 'I can' system, allowing teachers and students to keep track of their learning and progress. Students are given the flexibility and ownership to design their own option choices towards the end of Year 8, meaning that students study the curriculum that they choose, whatever their ability, allowing them to fully realise their future aspirations. At Key Stage 4 students are offered the full Ebacc, and the importance of taking a humanities and a language is discussed with parents as part of the options process. A variety of vocational courses are also offered to allow for development towards particular careers, or the pursuit of individual interests.

PREPARING FOR THE FUTURE

Qualifications are highly important, and our examination results reflect our commitment to this. However school is also about preparing students for their future career and roles in the larger community. Students are offered many opportunities to develop team working and leadership skills. The prefect team in Year 11 is led by the Head Boy, Head Girl and their deputies. Students can initiate projects and share decision making through an active School council.

Careers guidance is provided throughout all years. A large number of students enjoy taking part in activities throughout the school year, including drama productions and musical concerts. We have excellent sporting facilities on site and at Amesbury Sports Centre, and run many sports teams and offer a number of extra-curricular sporting clubs, including rugby, basketball, netball, hockey, football and cricket. Trips and visits are run regularly; Year 9 can visit Pencelli Activity Centre in Wales and current trips planned include food trips to Normandy, outdoor pursuits in the Alps, and Geography trips to Iceland. There are regular Geography field trips, annual whole school cultural capital trips and the Languages department arrange annual visits to France or Germany.

The latest Ofsted inspection took place in April 2017 and concluded that... "The Stonehenge School continues to be good" and that "pupils are great ambassadors for the school. They are smart, polite, respectful and a joy to talk to".

A recent evaluation by the Local Authority reported that 'there is a positive and respectful school culture where the staff know and care for the students' and the 'leaders have a clear consistent vision which is realised through strong, shared and owned values and practice', and praised the emphasis that we place on developing our staff.

We look forward to welcoming applications from you,
