New Building

The site has started to be prepared for the new build with offices placed outside the Upper school building. Pupils will need to use the pedestrian route that has been created if coming from Holder’s Road entrance.

In terms of what is best for everybody’s safety, and in light of the fact that construction vehicles will be using the Holder’s Road entrance throughout the next year, **please do not drop or pick**

up pupils from outside of the school, but arrange to meet them in B&M and Tesco's car park instead.

Pupils should not be in school any earlier than 7:45am and will need to be away from 'Upper school' area.

Uniform and equipment

All children should be wearing the correct uniform and meeting our expectations regarding the uniform rules from their first day back. **Students should not have any items of clothing that are not on the list (for instance hoodies and sweatshirts are not permitted, but a v-neck jumper is). Knee high socks are no longer permitted, they should have no facial piercings, one set of earrings and one ring.**

The new policy was sent out before the holiday to show the adaptations we had made in terms of making the uniform more affordable, and can be found here:

Attendance

We have created a new page on our website for attendance information. This will be an area of priority as we continue to support pupils into attending more regularly. They should be aiming for an attendance of over 95%. Please read the information on our new website section to support how absences are reported:

<https://www.stonehenge.wilts.sch.uk/attendance/>

How to report your child's absence

Parents/Carers are able to report a child's absences in one of the following ways –

- By calling the Absence Line on 01980 676650 (available 24hrs a day)
- By logging on to Insight
- By email **absence@stonehenge.wilts.sch.uk**

We ask Parents/Carers to contact the school as early as possible on **every day** of absence and leave a message.

Changes to systems

We are currently changing the systems that we use in school, so please be aware that new login details for a new data system called Class Charts will be sent out to everybody in due course. This will be the replacement to Satchel one and Insight with the aim that all key information is held in one place to help you support your child's education.

We are looking forward to welcoming the whole school back and starting the new academic year.

Yours Faithfully
