

Below is the timetable for the Summer exams. For all exams you need to meet as normal in the lower school dining hall where the location of exams and relevant seating plans will be displayed. You need to be down in the hall 20 mins before the exams begin to allow time to get set up.

You will be required to attend all lessons up to half term. After half term you MUST attend all lessons/revision sessions for exams that are still outstanding.

TAKE A HIGHLIGHTER AND HIGHLIGHT THE SUBJECTS THAT ARE RELEVANT TO YOU.

We are aware of the clash between Business Studies and Statistics on Monday 12th June- more information will be provided to the students this has an impact on shortly.
