Dear Parents and Carers,

This week has brought some powerful and moving moments to our school community, and I wanted to take a moment to share them with you.

Raising Awareness with Escapeline

All year groups took part in a one-hour workshop led by Rhys from Escapeline, a charity that works to prevent child exploitation. These sessions were designed to raise awareness among our students about the risks posed by criminal exploitation, particularly around something known as County Lines.

For parents who may be unfamiliar with the term, County Lines is when gangs and organised criminal networks exploit children to transport drugs and money between urban and rural areas - often across counties. The young people targeted may be groomed and manipulated into becoming involved, and this is sadly a growing concern nationally and, at times, locally too.

Rhys' sessions were honest, informative, and age-appropriate. They gave our pupils practical advice on how to stay safe and who to talk to if they're worried about themselves or someone else.

If you'd like to learn more or feel concerned about the risks to young people in our area, Escapeline provides a wealth of information and guidance on their website: www.escapeline.org.uk

Jake's Garden - A Lasting Tribute

This week also saw the official opening of Jake's Garden - a beautiful, dedicated space created in memory of Jake Swinscoe, a much-loved student we tragically lost last year.

Jake's friends, his family, and members of our wider school community have worked together to create this garden as a place for reflection, peace, and remembrance. Local businesses, especially garden centres, have kindly donated plants and materials, and contractors who have worked with the school gave their time and support generously.

A time capsule has also been planted in the garden, containing meaningful items chosen by those who knew Jake best - ensuring a part of him will always be here with us.

It was a moving moment to come together as a school to celebrate Jake's life and the strength of community that has grown in his memory.

Year 8 Parents' Evening and Looking Forward to Options

Thank you to all the families who attended the Year 8 Parents' Evening online this week. It was a well-attended virtual event and an important opportunity for you to hear directly from your child's teachers about their progress.

This marks the beginning of an important time for Year 8 as they begin to think about their subject choices for next year. As part of this, we're holding our Looking Forward Day and Evening on Wednesday 1st May, where both students and parents will receive detailed guidance about the options process. We encourage all families to attend and take advantage of this support as your child starts to shape their future.

Thank you, as always, for your ongoing support. We are proud of the way our school community comes together - whether it's to learn, reflect, or celebrate one another.
Warm regards,
Mrs Dean
