

THE STONEHENGE SCHOOL

SCHOOL FUND 2025

School Fund is a contribution by parents/carers used to purchase items not covered by government funding. Whilst this is a voluntary contribution the school depends on this income to provide better facilities for the benefit of all our children.

School Fund contributions have helped the school to purchase additional extras for example, school picnic benches.

Each year we ask our parents for a minimum contribution of £5 per month or alternatively £60 per year. We are asking parents to help us by contributing via standing order. You may also make additional or one payments online via ParentPay.

Every little bit helps.

Thank you for your support.
