

THE STONEHENGE SCHOOL

Extra-curricular opportunities

We are excited to announce our extra-curricular opportunities for terms 1 and 2 of the academic year 2025/2026. Remember, for after school activities you will need to book your space. For safeguarding reasons, and for us to be able to plan activities, we need to know exactly who we will have in school attending each activity. Lunchtime clubs are run on a drop-in basis.

Some of our clubs are incredibly popular and over-subscribed, so if you book a space and your child does not attend, we will remove them and inform you that we have done so, so that others have the chance to attend. Equally, students cannot turn up to after school activities without being booked on in advance. We have an excellent pastoral and SEND team who are happy to support you with this process, should you need it.

Once students' activities have been assigned, they will be added to their timetable on Class Charts.

There is an associated cost for First Tech Challenge. This is a STEM club for this year that is already established and cannot accept any new members. You will not be able to select this on the booking form.

Some clubs have limited numbers; if the requests exceed the places, we will draw names at random and ensure equity of opportunity throughout the year. There will be further opportunities next term if you are unsuccessful this term.

The Duke of Edinburgh award will be running in addition to this programme. The new cohort of Bronze and Silver participants will be able to sign up this term- more details to follow. You will not be able to select this on the booking form.

Mrs Blake
Assistant Headteacher

After school options available (booking required)

Homework Club: Run by our Skills team, this club will allow you to complete homework with the support of a member of staff. Computers are available to use.

Lego club with Skills (invitation only): Come and practise mindfulness, and improve your communication skills and confidence through a range of Lego building activities. Please only select this option if you have been invited to by the Skills department.

Science Club: Come and practise the skills needed to succeed in scientific research and practical work by experimenting and carrying out activities not done in lessons.

Craft club: Fancy making some jewellery? Fancy trying your hand at sewing or cross-stitch? Come along to this small and quiet club to learn a new skill.

Warhammer and Dungeons/Dragons Club/Table top roll-playing games: These are fantasy role-playing games where you can play through adventures cooperatively. You take turns fighting with miniatures on a map.

Badminton: Come and practise your serving and rallies! No previous experience necessary.

Singing Club: Open to any pupils who enjoy singing and want to take part in an activity that works towards performing at school concerts and events.

Rock Band: Open to guitarists, drummers and singers: come and play in a group where we will be playing rock and pop classics.

First Tech Challenge (invitation only): A two-year national STEM challenge, working as a team to design, build and programme a robot to compete at tournaments and a national UK championsip. This group is already established; you will not be able to select this on the booking form. Current members will be added onto a register for Monday after school.

Rugby: Come and practise your passing, scrummaging and teamwork. No previous experience necessary!

Photography club: come and join the Shutter Squad and learn about lenses, angles and lighting in this brand new club!

Axiom Maths (invitation only): An enrichment programme where students encounter challenging problems beyond the standard National Curriculum to foster deep mathematical thinking and appreciation. Please only select this option if you have been invited by Mrs Thompson.

Higher Biology (invitation only): An opportunity to complete practicals, practise exam questions and complete key revision tasks in preparation for higher tier GCSE Biology exams. Please only select this option if you have been invited by Mrs James.

Coursework catch-up for Health & Social Care and Child Development (invitation only): this is for students studying these GCSEs, who need some help and support to complete key pieces of work for the course. Please only select this option if you have been invited by Mrs Ruscoe.

Film Club: Find out how film is made and have the chance to make short films, or even watch films and expose yourself to new genres and styles.

Year 10 English Stretch and Challenge Club (invitation only): come and enjoy some creative writing, debate and engaging literature to push your skills and further your enjoyment of this subject. Please only select this option if you have been invited by Miss Sherburne.

Darts club (starts in Term 2): Want to be the next Luke Littler? Give darts a go! All equipment provided.

Cross Country: Long distance running on our newly developed Holders Field, and possibly off site. There will be the opportunity to enter cross country competitions.

Craft club with Skills: (invitation only): Come and practise a new skill and make something new to show off your creative flair. Please only select this option if you have been invited by the Skills department.

Art Club: If you love all things arty, this is the club for you. Have a go at drawing, sketching and painting in a relaxed environment.

Boys' and girls' Football Club: Come and practise your passing, footwork and teamwork. No previous experience necessary!

Mixed Basketball Club: Come and practise your dribbling, passing and shooting. No previous experience necessary!

Girls' Netball Club: Come and practise your throwing, catching and teamwork. No previous experience necessary!

Boys' and girls' Rugby Club: Come and practise your passing, scrummaging and teamwork. No previous experience necessary!

Games Club: Students have access to a range of board games to play with their friends. Come along and learn a new game or play an old favourite! Mario Kart tournaments organised at the end of each half term.

Lunchtime options available (booking not required):

Uno Club: Come and have fun playing this popular and highly addictive card game!

Drama Club: Participate in various acting, communication, and stagecraft activities like acting out scenes, improvising, practising voice and movement exercises, and developing skills such as teamwork and confidence building.

Ukulele Club: Learn, practise and perform songs together on this fun instrument.
