What is Show My Homework?

A simple online homework calendar showing homework information, deadlines and attachments for students.

From 3rd September 2015, all homework will be displayed online, using Show My Homework.

The image displays the Show My Homework interface on a desktop and a smartphone. The desktop view shows a calendar for the week of 13th - 19th October 2014. The interface includes a left-hand navigation panel with filters for 'All Teachers', 'All Subjects', 'All Classes', 'Year 7', and 'All Tasks'. The main calendar area is organized by day (Monday to Friday) and lists homework tasks with subject, teacher, and deadline information. A smartphone on the right shows a 'To-do List' app interface with a blue header, navigation tabs for 'This Week', 'Next Week', and 'This Month', and a list of tasks with completion status and subject details.
