

THE STONEHENGE SCHOOL

We are excited to announce our extra-curricular opportunities for terms 1 and 2 of the academic year

Extra-curricular opportunities: terms 1 & 2026/27

2026/27. Remember, for after school activities your will need to book their space with their tutor. For safeguarding reasons, and for us to be able to plan activities, we need to know exactly who we will have in school attending each activity. Lunchtime clubs are run on a drop-in basis.

Some of our clubs are incredibly popular and over-subscribed, so if you book a space and your child does not attend, we will remove them, so that others have the chance to attend. Equally, students cannot turn up to after school activities without being booked on in advance. We have an excellent pastoral and SEND team who are happy to support you with this process, should you need it.

Once students' activities have been assigned, they will be added to their timetable on Class Charts.

There is an associated cost for STEMhenge Robot Club. This is a STEM club for this year that is already established and will only be accepting 4 new members from Year 7 only. More information will be given to Year 7 in due course. Those already involved in the club will automatically be added to this year's register.

Some clubs have limited numbers; if the requests exceed the places, we will draw names at random and ensure equity of opportunity throughout the year. There will be further opportunities next term if you are unsuccessful this term.

Some opportunities are invitation only and you will be contacted separately if your child is invited to attend.

The Duke of Edinburgh award will be running in addition to this programme. The new cohort of Bronze and Silver participants will be able to sign up this term- more details to follow.

After school options available (booking required)

Homework Club: Run by our Skills team, this club will allow you to complete homework with the support of a member of staff. Computers are available to use.

Lego club with Skills (invitation only): Come and practise mindfulness and improve your communication skills and confidence through a range of Lego building activities. **Please only select this option if you have been invited to by the Skills department.**

Science Club: Come and practise the skills needed to succeed in scientific research and practical work by experimenting and carrying out activities not done in lessons.

Warhammer/Dungeons and Dragons Club/Tabletop role-playing games: These are fantasy role-playing games where you can play through adventures cooperatively. You take turns fighting with miniatures on a map.

Badminton: Come and practise your serving and rallies! No previous experience necessary.

Singing Club: Open to any pupils who enjoy singing and want to take part in an activity that works towards performing at school concerts and events.

Rock Band: Open to guitarists, drummers and singers: come and play in a group where we will be playing rock and pop classics.

STEMhenge Robot Club (invitation only): A two-year national STEM challenge, working as a team to design, build and programme a robot to compete at tournaments and a national UK championship. There is an associated cost for STEMhenge Robot Club of £30. Applications to join the club have closed and Miss Freemantle will announce soon who has been successful in joining. Those not selected, due to over subscription, will go on the waiting list to join the club. Year 7s will be able to apply next year. Those already involved in the club will automatically be added to this year's register.

Axiom Maths (invitation only): An enrichment programme where students encounter challenging problems beyond the standard National Curriculum to foster deep mathematical thinking and appreciation. **Please only select this option if you have been invited by Mrs Thompson.**

Year 11 Higher Biology (invitation only): An opportunity to complete practicals, practise exam questions and complete key revision tasks in preparation for higher tier GCSE Biology exams. **Please only select this option if you have been invited by Mrs James.**

Film Club: Find out how film is made and have the chance to make short films, or even watch films and expose yourself to new genres and styles.

Year 11 English Stretch and Challenge Club (invitation only): come and enjoy some creative writing, debate and engaging literature to push your skills and further your enjoyment of this subject. **Please only select this option if you have been invited by Miss Sherburne.**

Darts club (starts in Term 2): Want to be the next Luke Littler? Give darts a go! All equipment provided.

Cross Country: Long distance running on our newly developed Holders Field, and possibly off site. There will be the opportunity to enter cross country competitions.

Craft club with Skills: (invitation only): Come and practise a new skill and make something new to show off your creative flair. **Please only select this option if you have been invited by the Skills department.**

Boys' and girls' Football Club: Come and practise your passing, footwork and teamwork. No previous experience necessary!

Girls' Netball Club: Come and practise your throwing, catching and teamwork. No previous experience necessary!

Boys' and girls' Rugby: Come and practise your passing, scrummaging and teamwork. No previous experience necessary!

Games Club: Students have access to a range of board games to play with their friends. Come along and learn a new game or play an old favourite! Mario Kart tournaments organised at the end of each half term.

Chess Club: Come and learn how to play this classic strategy game.

School production: Fancy being a part of this year's school production? Want to sing, act or simply help backstage? Come and be a part of this amazing whole school opportunity. More information about how to take part will be released shortly.

Forest School: Come and spend time in nature, learning about the environment and how to look after it in our very first forest school!

Weightlifting from Crazy Strength: Come and try some weightlifting, building up your core strength and power.

Finance club: Want to learn about mortgages, taxes, paying bills? Set yourself up for adult life by finding out about how money works.

Lunchtime options available (booking not required):

Uno Club: Come and have fun playing this popular and highly addictive card game!

Pokemon Club: Take part in activities, and talk to like-minded people, connected to this highly popular Japanese trading card game.

Dance Club: Work on your routines, teamwork and stamina whilst moving to music.

Book club*: Come and join this group reading activity, with a chance to see the film adaptation at the cinema later in the year:

- *The Magician's Nephew* by C.S. Lewis: open to everyone
- *Children of Blood and Bone* by Tomi Adeyemi: open to Years 9, 10 & 11

*There is a small cost for this club to pay towards the price of the book.
